Club News

New Members: Over the last twelve months our club membership has been steadily growing. To the new members who joined the club last month the club would like to welcome you.

Christmas Break-up / Presentation:

The club will be holding it's club break-up / presentation this Sunday the 13th of December.

Where: Club rooms (Minerva Close Sporting ground)

Time: Start 11.00 am

The club will be supplying:

Meat for BBQ
Bread
Soft Drinks
& Lollies & Chips for the kids.
Alcohol available at the bar.

Please BYO salads to share.

Club Rooms:

The club rooms are finally finished. The grand opening was on the 6th December. I hope that a few members made an appearance. For those who haven't yet seen the rooms I think you will be blown away with the final result. It has taken a lot of hard work, sweat and tears and all those who volunteered deserve a huge pat on the back.

Boat Ramp Update:

Finally the ramp has been upgraded. A few members used it on the week end and were very impressed. If you intend fishing over the x-mas break I suggest you get their extra early otherwise you may have to park way down the street. Also a quick reminder to watch you speed up and down the river. Parks officers were out & about last week-end and they were warning people about going to quick. (5 knots is as fast as a fast walking pace I was told).

Ocean Grove Fair:

Could every one try to make it to the Ocean Grove Fair on **Sunday the 17th Jan**. The club will be selling association raffle tickets. The Club only fund raises a few times a year so it would be great to see as many members there as possible.

Congratulations to Jock for taking out the Peter Borough Perpetual Trophy. It sounds like those that attended had a great time.

Fish Of The Month.

One of the best fish landed last month was a 1.3kg+ Bream by Jock during the Peterborough trip. Unfortunately a photo of his catch wasn't available by the time this news letter was published. I did manage, however, to get my hands on this photo. These Bream were also taken during the Peterborough trip last month. Well done boys.

Check out our web: www.fishgrabber.com.au for more club photo's and club news. If you need a password to upload your own photo's e-mail Richard, his address is on the site.

QUEENSCLIFF BAIT & TACKLE

Appreciation:

I would like to thank Sam & Col from Queenscliff bait and Tackle for the generous support they have shown to members over the past 12 months . Those that have been lucky enough to win one of their gift vouchers will know what a quality range they stock. Why not pick Col's brain for some of local knowledge as he knows the area like the back of his hand.

If you can't make it to Queenscliff Col & Sam have recently taken over Catch 22 on the Melbourne Hwy. It's now called 'Q Tackle' and they have filled it with the same great quality tackle they have at Queenscliff. If you are one of our members coming down from Melbourne call in and say hello. Vouchers are redeemable at both locations.

Remember present your membership card and get a **10% discount** .

SEASON'S GREETINGS

To all members , Sponsors & their families I would personally like to wish you all a Very Merry Christmas and a fantastic new year.

Regards
Jason Bowers
