Feb 2010 News Letter

Next Meeting 24/2/10.

Club News

I apologize for the delay in publishing the news letter. I have had a few issues with my PC and this is my third attempt.

Club Merchandise:

Those members that ordered shirts and jackets last month please bring along your money to this months meeting as they are ready. Shirts \$27.50.

The club has also purchased 30 caps & 20 badges that will be available to members at any time. Caps \$10 & Badges \$5.

Members can order gear at any time through Chris at Coastal Embroidery, however, prices may be slightly higher if ordering smaller quantities.

Club Rooms:

Over the last few months the Club room have been broken into a few times. Could all members keep in mind that when we have finished using the rooms that we make sure that everything is locked up. Also if you happen to be passing by and see something suspicious report it to the police.

It's a shame that to see that some individuals out there don't appreciate how much hard work went into making this community facility what it is today.

Outing Results:

3/1/10 Open/ River

1st Pete K Salmon 400g (River winner as well)

2nd Jason Whiting 380g

3rd Stu C Whiting ?

** These results to be confirmed as the results were left in the trailer.

Outing Results:

10/1/10 OPEN

1st Peter M. Snapper 400g

No second or third.

24/1/10 Open

1st Pete M. Flat Head 400g

2nd Frank Whiting 360g

Competitions:

Please remember when the club has an Open / River comp please tell the weigh master if the fish you are weighing was caught in the River or in other waters. A Fish caught in the River even though it may not be in the top 3 heaviest for the day will still attract King /Queen of the Barwon points.

Participation points: When the club changed how it ran its competitions a few years back it was decided that any participating member would receive 2 participation points regardless of if they caught a fish or not. Please remember to let the weigh master know if you have fish as you may miss out. Frank & Helmut don't always know who's fished especially when we are all standing around at the weigh in having a chat.

Competition Fees: The \$2 comp fee that is usually collected from each member during weigh in is now a \$2 BBQ fee. If you come to the weigh-in which I encourage all members to do please pay \$2 if you intend staying for the BBQ. It's a pretty cheap lunch.

I will organise a honesty tin to put in the trailer. It will save the weigh master chasing money out of everyone.

Festival of The Sea:

The festival of the sea is on the 21 March over on the Barwon heads foreshore. We need as many members as possible to volunteer to sell raffle tickets. The association has extended our return date on the raffle tickets so its our last chance to make some money for the club. More information will be given at the next meeting.

Richard from Tuff Gear will be attending the next meeting to show member some great wet weather gear. With winter around the corner it's a great time to think about getting some. It's top quality gear believe me.

Clubs History:

I was mentioned last meeting that the club should put together a publication that documents events that have occurred over the last 17 years that the club has been incorporated. If any one has photos, newspaper clippings old news letters, even old stories, old records etc, bring them along to future meetings and we will try to build up a data base and eventually publish something.

Portland

It's that time of year again if the club wants to organise a trip to portland this year we better hurry. Adamas is already taking bookings. Last year the price was \$250/per person / day. (based on 6 people \$1500/day for the boat) Expression's of interest taken next meeting.
